

## **CALIFORNIA UMBRELLA COLLAR TILT UMBRELLA OPERATION INSTRUCTIONS**

Thank you for purchasing California Umbrella product!!  
Our product should give you years of pleasure in sunny day outside.

### **YOUR BOX SHOULD CONTENT:**

1. Umbrella frame with cover or only umbrella frame (if order was frame only)
2. Bottom pole
3. Umbrella cap

### **TO OPEN UMBRELLA AND TILT:**

#### **STEP 1:**

Umbrella must be set up and straight into standing position. Once at standing position start cranking the handle until it stops.

#### **STEP 2:**

To tilt the umbrella: Once umbrella is cranked all the way open in straight position, you start twisting the housing on top of the crank housing **CLOCK WISE** direction.  
**\*\*Please note the umbrella should tilt only one position!**

### **TO CLOSE UMBRELLA:**

#### **STEP 1:**

In order to close the umbrella, it must be back to straight upper position (no tilting).

#### **STEP2:**

To get the umbrella from tilting position to upper straight position start twisting the same housing to tilt, **COUNTER CLOCK WISE**.

#### **STEP 3:**

Umbrella should now be in upper straight position and to close, start cranking it opposite direction and umbrella will start to close. If runner stops half way, please try to pull the runner down with slight force.

### **WARRANTY:**

California Umbrella honors a one year warranty on all our products from the time you purchase the product, **ONLY** due to manufacturer defects during normal use. We will replace only the part that has the defect.

California Umbrella will not honor this warranty if the defect is caused by improper use, improper maintenance of the product, or if product is damaged due to weather conditions. If you have any warranty question, please contact the store where you purchase from.
